

International tournament

April 18 to 20, 2025

WHO WILL BE THE NEXT CHAMP?

PRESENTATION

The tournament is held mainly in two gymnasiums:

- The Lycée de Saint-Romain-en-Gal gymnasium, with parquet flooring and a 700-seat grandstand.
- The Ampuis multi-purpose hall, with a 200-seat stand.

Every year, our tournament brings together French teams participating in the French championship, such as J.L. Bourg (three-time winner), Chorale de Roanne and Élan Chalon (each winner once), as well as ASVEL (finalist). The tournament also welcomes teams from all over Europe, including Italy, Spain, Lithuania, Latvia, Serbia, the Czech Republic, Germany and Slovenia.

In 2023, for the first time, the International Tournament welcomed, in addition to the men's competition, 5 women's teams: SGOSFF (France), AVSR (France), LEGANES (Spain), MILANO BASKET STARS (Italy) and UDINE (Italy). This year's event was a resounding success, encouraging us to continue with this format in future years.

All tournament matches, whether in the group stages or the finals, are supervised by official referees and table officials appointed by the F.F.B.B. On arrival, teams receive the tournament rules and all the information they need to organize their stay. This festive weekend also includes a dunk contest and a 3-point shooting competition.
